

Virtusa Data Privacy Declaration and Consent

I, _____ [Candidate Name], hereby consent to the collection, use, and disclosure of my personal information by Virtusa, its subsidiaries and affiliates, and its service providers, in accordance with the terms of this Declaration and Virtusa's Enterprise Data Privacy Policy.

Personal Information definition

'Personal data' means any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Collection and Use of Personal Information

We collect, use and maintain the below categories of personal data and sensitive Personal data of our employment candidates. The Personal data collected may include but is not limited to:

- **Identification Information** including name, father's name, age, date of birth, email address, home address, contact details, government-issued identification numbers, photographs, citizenship, nationality, marital status, and languages spoken.
- **Educational and Professional Details** including higher education, certifications, and previous employment history.
- **Online Information**, e.g., Information provided by you on "TYDY" such as First Name, Last Name, Email Address, and Phone Number.
- **Technical Information:** When you access our services online, our web servers automatically create records of your visit. Please read our website privacy policy (<http://www.virtusa.com/privacy-statement/>) and cookies policy (<https://www.virtusa.com/cookie-policy>) for more information.
- Information found from public sources as well as information related to reference checks, depending on the position you are applying for, and where necessary for the recruitment activities.
- Once you have been shortlisted, we may collect additional information such as Government Identifiers, expectation of compensation and remuneration details, information relating to your family members (for benefits administration) and dependents, passport, visa and work permit (in case of expatriate), background check reports including educational and employment checks etc. where permitted by local law. We may collect your bank account details, details of the expense incurred and relevant bills to reimburse any expenses incurred by you during the interview processes.

The sensitive personal data collected may include:

- **Information related to racial, ethnic origin or religious beliefs** to comply with local regulatory law(s).
- **Data relating to criminal convictions and offences** collected from you for background verification. and;
- **Additional information** that may include but not limited to health, drug tests information as may be specifically required by the clients for which explicit consent will be taken.
- **Information revealed in a video interview** such as physical or mental health or condition, job evaluations or educational records.

Your Rights

You have the following rights with respect to your personal information:

- Request access to your Personal data and request details of the processing activities conducted by Virtusa.
- Request that your Personal data be rectified if it is inaccurate or incomplete.
- Request erasure of your Personal data in certain circumstances.
- Request restriction of the processing of your Personal data by Virtusa in certain circumstances.
- Object to the processing of your Personal data in certain circumstances.
- If you are a California resident, you have the right under the California Consumer Privacy Act of 2018 (“CCPA”) to opt out of the sale of your personal data. Whereas we do not sell any personal data in return for money, we do disclose it to third-party service providers.

Legal bases for collecting and using information

We collect, use and disclose your personal data for the purposes of Virtusa’s recruitment or resourcing activities. The purpose is to comply with any legal requirements, pursue our legitimate business interests and defend our position in legal proceedings. Your personal data shall be utilized in the following ways:

- **Communicating with you**, in context of recruitment activities:
 - To obtain additional information about your suitability for the role where necessary;
 - To inform you of available vacancies;
 - To provide you with information relating to your application and to fulfil your requests.
- **Managing recruitment and resourcing activities**, including activities related to organizational planning. We may use your information:
 - To set up and conduct interviews and assessments;
 - To evaluate, select and recruit applicants;
 - To contact third-party referees provided by you to evaluate your previous performances.
 - In the event your profile is shortlisted, we may collect additional personal data to carry out background verification and criminal record checks (in accordance with local law), facilitate travel for face-to-face interviews and to roll-out an employment offer letter.
- **New employment opportunities** - If you have expressed an interest in working for us in the future, we may retain relevant documents collected during the recruitment process containing your personal data for future employment-related opportunities.

Security

Virtusa has implemented technical, physical, contractual, and organizational safeguards with a view to protecting the security of Personal data from loss, damage, or unauthorized use, disclosure, alteration, or access, having regard to the nature of the data, and the risks to which they are exposed by virtue of human action or the physical or natural environment.

Transfers and disclosure of personal data with Third parties

We are part of an international group of companies and, as such, transfer and disclose Personal data concerning you to countries outside your country of residence and outside the EU. While such information is outside of your country, it is subject to the laws of the country in which it is located, and may be subject to disclosure to the governments, courts or law enforcement or regulatory agencies of such other country, pursuant to the laws of such country.

We transfer Personal data between our affiliated entities, as well as to third party service providers, for the purposes as explained below:

- We require our affiliates and service providers maintain the confidentiality of your Personal data and keep your personal data secure. We also require that they only use your Personal data for the limited purposes for which it is provided, and that it be disposed of when no longer needed for those purposes. We do not authorize our affiliates or service providers to disclose your Personal data to unauthorized parties or to use your Personal data for their direct marketing purposes.
- Where required or permitted by law, Personal data may be provided to others, such as regulators and law enforcement agencies. We may use selected third parties to carry out certain activities to help us to run our business (such as cloud service providers, IT support vendors), to facilitate language tests (language assessment agencies), to carry out background checks (background verification agencies) to facilitate your travel and expense (travel and immigration vendors) and to facilitate audits (third-party auditors)
- We share information with our internal staff and our group of companies for screening and interview purposes.

Retention

We will only keep your Personal data for as long as is reasonably necessary to fulfil the purposes for which it was collected, taking into consideration our need to respond to your queries or resolve problems, any other purpose outlined above or to comply with legal requirements under applicable law(s). After this period, your Personal data will be deleted.

Consent

By accepting this Declaration, you consent to the collection, use, and disclosure of your personal information by Virtusa, its subsidiaries and affiliates, and its service providers, in accordance with the terms of this Declaration. Additionally, you can also refer to Virtusa Global Workforce Privacy Notice available at (*Virtusa Policy portal -> Data Privacy Management -> Notices -> Virtusa Global Workforce Privacy Notice*) to know how your Personal data is processed as part of your employment.
